

**Middle Georgia Electric Membership Corporation
Senior Citizen's Billing Program Application**

The Senior Citizen's Billing Program is designed to assist our members who are over the age of 62 and could begin receiving their electric bills in a more convenient manner relevant to the receipt of their income. This program could benefit our members who are at least age 55 and are receiving fixed or disability income who may also qualify. Under this program, our customers who qualify will receive their electric bill(s) on or around the first of each month. As before, bill(s) will be due and payable within 15 days of the billing date.

By completing this form, you are applying for the Senior Citizen's Billing Program and stating that all of the above is accurate. You may print this application and mail it to our main office at P.O. Box 190, Vienna GA 31092. You will also need to provide us with a voided or cancelled check.
