## SCHEDULE LM-RTP SCHOOL LOAD MGMT & REAL TIME PRICING RATE 32

### **PURPOSE**

To provide revenue for patron's electric service and capital from the patrons. In compliance with cooperative principles and the Corporation's bylaws, revenue received, which is in excess of operating cost and expenses, is patronage capital. All monies in excess of the cost of providing electric service are capital, at the moment of receipt, and will be credited to each patron's individual capital account.

### **AVAILABILITY**

Available to New Schools served by Cooperative who first take service on or after March 21, 2017 subject to Cooperative's established Service Rules and Regulations and subject to the execution of a contract for service mutually agreed upon by Cooperative and the member.

### **APPLICABLE**

Applicable to consumers without a currently effective agreement for service on another rate schedule having a maximum load of 900 KW or more at one standard voltage required on the member's premises, delivered at one point, and metered at or compensated to that voltage.

### **TYPE OF SERVICE**

Service shall be provided as set forth in the contract for service between Cooperative and the consumer.

### MONTHLY RATE

Facilities Charge:	\$1,000.00
Energy Charge:	Cooperative's Marginal Hourly Energy Rate
Energy Adder:	\$0.003 per KWH
Demand Charge per KW:	
First 5 years	\$ 8.00 per KW of billing demand
Year 6 and Beyond	\$10.00 per KW of billing demand

# MIDDLE GEORGIA ELECTRIC MEMBERSHIP CORPORATION RATES

Rate 32 (continued)

**MINIMUM MONTHLY CHARGE** The minimum monthly charge under this schedule shall be \$1,000 plus the Facilities Charge.

## **DETERMINATION OF BILLING DEMAND**

The monthly Billing Demand shall be the consumer's average demands during the hours in which Cooperative establishes its responsibility for power supply and transmission costs, respectively, from its suppliers.

## **ENERGY CHARGE**

The Energy Charge shall be calculated as the sum across the month of the product of consumer's energy consumption for each hour, adjusted for losses as appropriate, and the sum of Cooperative's marginal energy cost for such hour plus the Energy Adder.

## **FIXED ENERGY CHARGE OPTION**

Upon mutual agreement by both the Cooperative and the consumer, the Energy Charge may be fixed in lieu of the formulary methodology described above.

## **POWER COST ADJUSTMENT**

At the discretion of the Cooperative, the amount calculated at the above rate may be subject to increase or decrease under the provisions of the Cooperative's Power Cost Adjustment Clause.
